Independent Auditor's Report

To the Board of Directors of McKenzie Towne Council

Opinion

We have audited the financial statements of McKenzie Towne Council (the "Council"), which comprise the statement of financial position as at May 31, 2022, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Council as at May 31, 2022, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Council's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

BDO Canada LLP
903 - 8th Avenue SW, Suite 620
Calgary, Alberta
T2P 0P7

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MCKENZIE TOWNE COUNCIL
Notes to the Financial Statements
May 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES

a) Purpose

The McKenzie Towne Council (the "Council") was incorporated as a not-for-profit organization on October 11, 1995 under Section 9 of the Companies Act of the Province of Alberta, R.S.A. 1980. As such, the Council is exempt from income tax under the Income Tax Act. The Council owns and operates amenities for the use of its members, the residents of McKenzie Towne Council.

b) Basis of accounting

The financial statements of the Council have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

c) Revenue recognition

The Council uses the deferral method of accounting for contributions. Contributions of capital assets or funds for the purchase of capital assets which are subject to amortization are deferred and amortized on the same basis as those capital assets. Contributions of capital assets or funds for the purchase of assets which are not subject to amortization are recorded as a direct increase to net assets.

Membership, program, maintenance, and rental are recognized as revenue in the year to which they relate. Interest and investment income is also recognized in the year to which it relates. Restricted contributions are recognized as revenue in the year in which related expenses are incurred. Unrestricted contributions, such as grants and donations not designated for a specific purpose, are recognized as revenue when received, or if the amount can be reasonably estimated and collection is reasonably assured. Deferred revenue consists of membership and other fees collected that relate to the next fiscal year.

Government assistance is recognized on a monthly basis when it is earned, when the amount is estimable and collection is reasonably assured.

d) Use of estimates

In accordance with ASNPO, estimates and assumptions are made by management in the preparation of these financial statements. These estimates may impact the amounts included in the financial statements. The most significant of these estimates are related to amortization and the estimated useful life of the capital assets and accrued liabilities. Actual results could differ from these estimates.

e) Capital assets

Capital assets purchased by the Council are recorded at cost. Capital assets contributed to the Council are recorded at fair value on the date of contribution.

Amortization is based on estimated useful life and calculated on a straight line basis as follows:

McKenzie Towne Hall	40 years
Furniture and equipment	5 years
Private park amenities	25 years
Automotive	10 years
Interim playfield	20 years
Electric sign	15 years
Traffic circle amenities	25 years
Clock	25 years
Garage	40 years
Splash park	25 years

Land is not subject to amortization.

MCKENZIE TOWNE COUNCIL
Notes to the Financial Statements
May 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

f) Internally restricted net assets

The Council has internally restricted amounts to establish a reserve fund to offset the future costs of significant capital asset additions, replacements or repairs. During the year \$120,000 (2021 - \$120,000) was approved and restricted by the Council for the reserve fund. The Council has also internally restricted amounts currently invested in capital assets.

g) Cash

Cash includes cash held at financial institutions and cash on hand.

h) Investments

Short-term investments consist of guaranteed investment certificates ("GICs") with terms of maturity greater than 90 days, but no more than one year, from the balance sheet date. The Council recognized interest revenue as earned.

i) Impairment of long-lived assets

Capital assets are tested for impairment where impairment indicators are present. This would occur if an item no longer contributes to the Council's ability to provide services. Any excess of the item's carrying value, with no long-term service potential, over its residual value is recognized as an expense of the period.

j) Financial instruments

The Council's financial instruments consist of cash, accounts receivable, short-term investments, accounts payable and accrued liabilities. All financial instruments are initially measured at fair value and subsequently measured at amortized cost, except for equities quoted on an active market which are required to be measured at fair value, and financial instruments which are designated at fair value.

Financial assets are tested for impairment when changes in circumstances indicate that the asset could be impaired. Transaction costs on the acquisition and sale of financial instruments are expensed for those items re-measured at fair value at each balance sheet date and charged to the financial instrument for those measured at amortized cost.

2. CAPITAL ASSETS

	2022		2021	
	Cost	Accumulated Amortization	Net Book Value	Net Book Value
McKenzie Towne Hall	\$ 3,562,965	\$ 1,372,308	\$ 2,190,657	\$ 2,278,578
Furniture and equipment	250,301	163,590	86,711	107,256
Private park amenities	153,313	109,312	44,001	50,133
Automotive	144,444	105,658	38,786	45,251
Interim playfield	74,304	61,491	12,813	16,528
Electric sign	239,404	215,959	23,445	35,757
Traffic circle amenities	153,563	140,194	13,369	19,512
Clock	84,877	62,614	22,263	18,039
Garage	81,224	20,814	60,410	62,441
Splash park	1,800,921	288,147	1,512,774	1,584,810
	<u>6,545,316</u>	<u>2,540,087</u>	<u>4,005,229</u>	<u>4,218,305</u>
Land	1,080,000	-	1,080,000	1,080,000
	<u>\$ 7,625,316</u>	<u>\$ 2,540,087</u>	<u>\$ 5,085,229</u>	<u>\$ 5,298,305</u>

Land includes two sites occupied by the McKenzie Towne Hall and a private 1.4 acre park. The private park amenities and pond pathway are on land that is owned by the City of Calgary. The traffic circle consists of landscaping and other improvements on land owned by the City of Calgary. The clock is located in a building owned by a third party.

MCKENZIE TOWNE COUNCIL
Notes to the Financial Statements
May 31, 2022

3. INVESTMENTS

The Council holds one (2021 - two) GIC with ATB Financial. The GIC is non-redeemable and bears interest at 0.54% maturing July 19, 2022 (2021 - 1.00% maturing July 16, 2021 and 0.26% maturing July 17, 2021). These investments have been classified as short-term based on their maturity dates. Included in the investment amounts is \$987 (2021 - \$1,080) of accrued interest.

	2022	2021
Short-term investments	\$ 301,480	\$ 421,208

4. DEFERRED CONTRIBUTIONS

Deferred contributions relate to capital assets contributed to the Council by Brookfield Residential ("Brookfield") and restricted government grants.

Contributions from Brookfield amount to \$1,403,009 (2021 - \$1,403,009) less accumulated amortization of \$852,008 (2021 - \$806,963). The land contributed by Brookfield in 2005 is not subject to amortization and therefore was recorded as a direct increase to net assets. Contributions related to a government grant amount to \$340,002 (2021 - \$340,002) less accumulated amortization of \$54,400 (2021 - \$40,800). The grant is recognized as revenue on the same basis as the amortization recognized on the related capital assets purchased with the grant funding.

5. COMMITMENTS

The Council has a commitment for a photocopier and a postal premise lease requiring minimum annual payments over the next three years as follows:

2023	\$ 1,706
2024	917
2025	76
	<u>\$ 2,699</u>

6. DEMAND LOAN

The Council has access to a demand revolving loan to a maximum of \$1,000,000 (2021 - \$1,000,000). The demand revolving loan bears interest at prime rate plus 0.45% per annum (2021 - prime rate plus 0.65% per annum) and is payable on demand. As at year-end the Council had drawn \$nil (2021 - \$nil) on the demand revolving loan.

The Council has access to a business MasterCard to a maximum of \$20,000 (2021 - \$20,000). The MasterCard bears interest at a fixed rate of 19.90% per annum (2021 - 19.90% per annum). At year-end the Council had drawn \$5,487 (2021 - \$7,292) on the MasterCard, which is included in accounts payable and accrued liabilities.

The demand revolving loan and MasterCard are secured by an on demand collateral land mortgage and assignment of rents over all lands and premises, assignment of all risk insurance and assignment of the annual dues from homeowners.

7. FINANCIAL INSTRUMENTS

The Council, through its financial assets and liabilities, has exposure to the following risks from its use of financial instruments: interest rate risk, credit risk, and liquidity risk. The Council manages its exposure to these risks by operating in a manner that minimizes its exposure to the extent practical. Other than noted below, there have been no change in the risk exposure since last year. The risks and related management strategies are discussed below:

7. FINANCIAL INSTRUMENTS, CONTINUED

a) Interest rate risk

The Council is exposed to interest rate risk to the extent that changes in market interest rates impact its investment income from its investments. The Council is also exposed to interest rate risk on its floating rate demand loan, whereby the cash flows required to service the demand loan will fluctuate with changes in market rates. The risk is reduced to a minimum since the Council mitigates this risk by investing in GIC's which guarantee the return on the investment due to fixed interest rates and maturity dates.

b) Credit risk

The Council is exposed to credit risk through its cash and accounts receivable.

The Council's credit risk is primarily attributable to its accounts receivable. The accounts receivable represents annual charges not collected from members. The risk is mitigated due to the fact that the Council takes legal action on overdue accounts and places a lien on the property of the member and will collect the annual charge upon sale of the home if the member chooses not to pay the annual charge. The credit risk on cash is limited because the counterparty is a major Canadian financial institution.

c) Liquidity risk

Liquidity risk is the risk that the Council would encounter difficulty in meeting obligations with financial liabilities.

This includes the risk that the Council will not have sufficient funds to settle a transaction on the due date. Liquidity risk arises from the accounts payable, accrued liabilities and the demand loan.

8. COVID-19

On March 11, 2020, the World Health Organization declared the outbreak of the novel strain of coronavirus ("COVID-19") as a global pandemic, which continues to spread throughout Canada and the world.

The Council is continuing to monitor the impact on its operations and cash flows by working with lenders and creditors. The Government of Canada has enacted federal stimulus packages, which include the Canadian Emergency Wage Subsidy ("CEWS") program, among others. During the year ended May 31, 2022, wage subsidies under the CEWS program totalled \$8,030 (2021 - \$440,400), and have been recognized as government assistance on the statement of operations. Of this amount \$nil (2021 - \$72,759) is included in accounts receivable at year-end.

During the year, the Association received various grants from the Government of Alberta. This included \$5,385 (2021 - \$nil) through the Early Childhood Educator Recovery and Retention Grant, and \$3,810 (2021 - \$nil) through the COVID Relief Funding Grant.
